Founders' Message

Dear Shareholders,

Our year-end financials say it all—2012 was yet another excellent year for your Icon Bank (see *Icon Financial Highlights*, p. 3, this issue). The bank grew a noteworthy 15.5% overall. Loans grew 19.3%, representing 78% of our total assets. Net profit for the year was \$2,830K a 37% increase over 2011.

As the current year continues to move forward, so do our plans at Icon. Our focus is threefold: bring to a close our current stock offering, finalize the construction and opening of our three newest banking centers, and add to our strong stable of banking professionals in order to foster our future growth. The Icon stock offering, which debuted in Fall 2012, has thus far raised a total of \$11.5MM and is on track to raise close to \$13.2MM in capital by the anticipated closing date of April 30, 2013. Please note that offerings such as this one provide the new capital that fuels our future growth.

Once again, thank you for your steadfast commitment to Icon through ownership investment and banking with us!

Warmest regards,

CEO and Chairman

President and Vice Chairman

Online Statements

In the next few months, we will be contacting a majority of account holders about setting up online statements for your deposits and loans. Online statements can help to eliminate that stack of “snail mail” on your desk and save a few trees in the process. An extra bonus to shareholders: you'll help Icon to significantly reduce expenditures on paper and mailing.

Security Enhancement

As part of our continued effort to ensure that your personal information remains secure, Icon Bank is excited to announce that we are improving our online banking login process, effective April 15, 2013. To prepare for this security enhancement, you may receive a prompt to verify the email address and phone numbers we have on file for you. If you do not receive a prompt, we request that you log online and update your contact information under the Management Contact Information menu.

If you have any questions, please feel free to contact us at 281-517-2400. We appreciate your business!

Office Update: New Branches Across the Region

Galleria

Icon recently acquired the Brucette's Shoe Store building, located at 4920 San Felipe Road in Houston's prestigious Uptown district. The Bank has also purchased the adjacent property at 4908 San Felipe, which currently houses an AT&T retail store. The two properties will undergo a complete renovation to serve as the permanent office complex for Icon's Galleria Banking Center, which has operated from its temporary location at 777 Post Oak Boulevard since August of 2010. Construction of the new Icon Galleria Banking Center began in February 2013, with completion scheduled for late Summer of 2013.

Sugar Land

In February, we were officially approved for a branch in Sugar Land. This will be Icon's 7th location. The temporary office, located at 4675 Sweetwater Blvd., Sugar Land, TX 77479 (in the RE/MAX Heritage building) was officially opened for business on March 20th. The Sugar Land Office is headed by veteran local banker Sam Morris, formerly of Icon's Cinco Ranch Banking Center.

Icon has purchased a nearby property for a permanent office at U.S. Highway 59 and Sweetwater Boulevard. The 6,500 square-foot, state-of-the-art facility is expected to be ready for business by early Spring of 2015.

Icon's new August Pines Banking Center opens as development takes off in the area just south of Woodlands Parkway.
